Randall County Splits Ticket

Randall County voters picked a Democratic governor and a Republican senator in Tuesday's general election. With incomplete returns, Price Daniel had 2615 votes to Edwin Mayer's 470. Republican Roy Whittenburg had 1663 votes to 1359 for Democrat Ralph Yarborough.

Voting precincts not included in those totals are boxes 2, 4 and 11. No. 2 is Jowell, No. 4 is Fairview and No. 11 is South Lawn in Amarillo. The three boxes could have had a vote of around 400.

With complete returns from the other 12 boxes in the county, totaling 3205 votes, it appears that Randall County favored seven of the nine amendments and voted two down.

In the county judge's race, Roy Joe Stevens defeated Burney Slack. A write-in campaign for Slack was started on Monday. He carried only one box, No. 13, East Canyon. The vote there was 164 for Slack and 117 for Stevens. Stevens' to-

tal in the county, less the three boxes not reported, was 2565. Slack's was 488.

The amendments voted down in this county were No. 1, annual session for the legislature, and No. 2, pensions for county officials. The vote on No. 1 was 1866 against

and 1066 for. The vote on No. 2 was 1695 against and 1242 for.

County voters decided to allow Amarillo to vote on a hospital district by a total of 2134 to 693. The amendment, No. 9, was ap-

proved in all of the boxes except No. 7, Highland.

Votes on the other amendments were No. 3, filling vacancies, 2355 for and 588 against; No. 4, candi-

dacy eligibility, 2378 for, 542 against; No. 5, city elections, 1801

for, 1040 against; No. 6, Ranger pensions, 2100 for, 873 against; No. 7, advertising, 1882 for, 1049 against; No. 8, medical payments, 1970 for, 988 against.

Eagles Hook Tulia 34-20

Passing and running, and scoring three times, quarterback Jerry Richardson lead the Canyon Eagles to a 34-20 victory over Tulia Friday night in a District 1-AA game. The win put Canyon on top of the district pile, with two district wins, while all the other teams in the district have at least one loss.

Richardson piled up 146 yards rushing and 108 passing in the Friday victory. He scored twice in the second quarter and once in the fourth quarter, and passed to Larry Brotherton for a fourth touchdown.

The Eagles scored first, with Ronnie Huyck busting through the line for 46 yards when about three minutes had been played. Eddie Boydston kicked the extra point.

Then three minutes later Richardson passed to Brotherton for 41 yards and a score. In another three minutes, Buzzy Poage raced 55 yards for Tulia's first score.

In the second quarter, Richardson ran 25 yards for a score and Chuck Nester ran the extra points. With about five minutes left in the half, Richardson ran 22 yards to make the score 27-6.

The third quarter belonged to Tulia after Canyon allowed costly errors. Boydston was tackled in the end zone to give Tulia a safety—two points. Then, Poage ran the ensuing kickoff back for another six points—a 78-yard run.

In the fourth quarter Richardson made his third touchdown on a 15-yard run and Boydston kicked the extra point. Duke Jennings capped the night's scoring with a one-yard run for Tulia.

The game started as a fumbling contest. The Eagles kicked off and Tulia lost the ball on the run-back. Canyon began driving, moving from the Tulia 29 to a first down on the eight. The ball was lost on a fumble on the Tulia seven, and the Hornets took over.

But they quick-kicked to the Tulia 46 and there's where Huyck took his scamper to the end zone. Tulia punted again after three. Can't on Back Page, Section 1

Wilma Burkett Crowned Queen Of Canyon High Homecoming

Wilma Burkett, daughter of Mrs. J. D. Burkett, was crowned Homecoming Queen to climax Homecoming activities for Canyon High School.

The coronation came at the half of the Canyon Eagles-Tulia Hornets football game at Buffalo Stadium last Friday night. Homecoming events began last Thursday night with a bonfire and pep rally west of the high school.

Other candidates for queen were Mayla Atkinson, Melba Haile, Joyce Ricketts and Jeanne Whinnery, all seniors.

A junior, Miss Burkett was Harvest Queen and was a Homecoming Queen candidate last year.

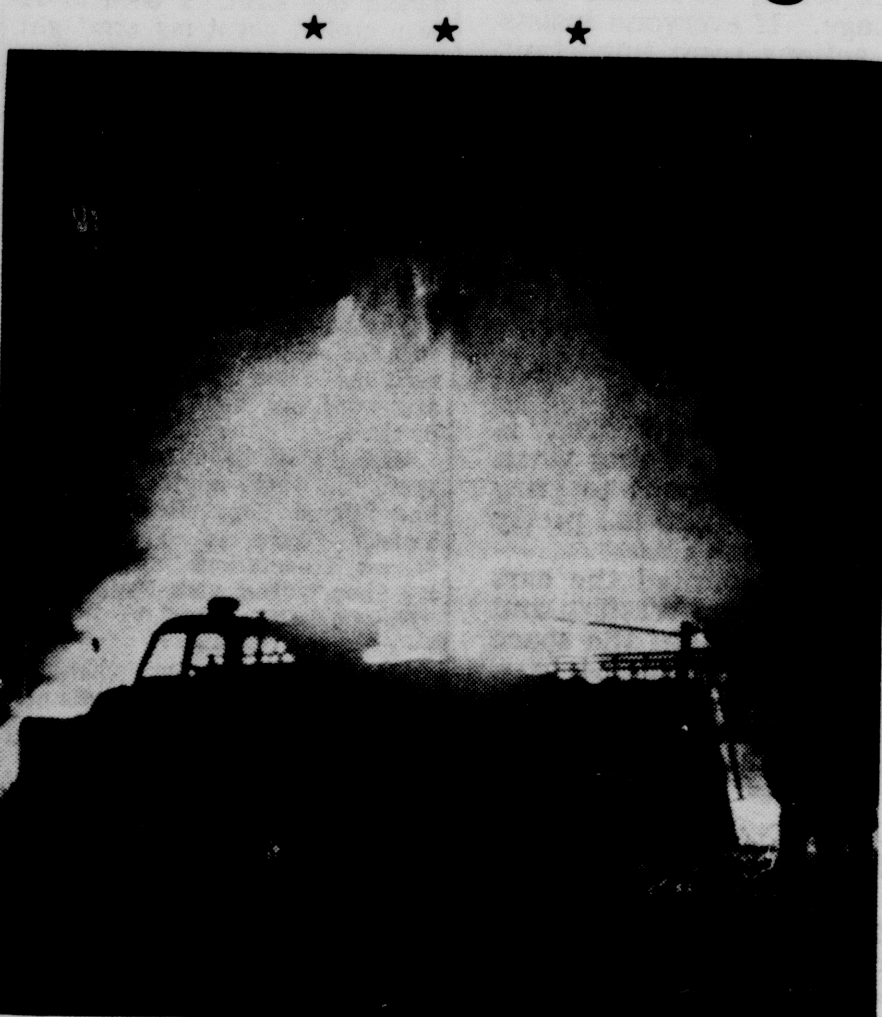

Special events Friday included a Homecoming assembly in the high school auditorium. Larry Kitchens, president of the student body, gave the welcome, and Mayor Charles Donnell gave the response.

The "good ole days" were presented in a skit under the direction of Mrs. Lee Foster. Mrs. John Davis was the teacher, and her students were Lee Foster, Henry Wiggins, Marion Higdon and E. M. Myers.

A second skit foretold that men would do the housework while women earned the living. Speech students presenting the skit were Eddie Boydston, Larry Brotherton, Roy Harris, Craig Hinger and Jerry Richardson.

Presenting a pantomime, "The Shadow Knows," were Jeanne Whinnery, Bernice Green, Sally Foster and Suzanne Lemons.

Open house was held at the high school all day with the Future Teachers of America chapter in charge. Coffee and cookies were served by the Future Homemakers

of America chapter.

Tony Marsalis and Gayle Rogers were crowned Flame King and Flame Queen at the pep rally and bonfire Thursday. Selection was on the basis of which class gath-

ered the most wood for the bonfire. To get its candidates named as the royal couple, the junior class collected nearly one-half of the 350 pickup loads of wood that went on the fire.

Eagles Looking for Third Win in District 1-AA Game With Friona

The Eagles are looking for their third District 1-AA victory Friday night in Buffalo Stadium against the Friona Chiefs, a team which is playing AA ball for the first time this year.

The Chiefs have a two loss district record and a five win, two loss and one tie record for the season. Their victories have been against Class A and B teams.

The Friona victories are over Sunray 30-6, Amherst 50-6, Happy 24-14, Whiteface 20-0 and Farwell 15-12. Their tie was 0-0 with Muleshoe.

In district play, Friona was beaten 21-18 by Tulia and 22-0 by Dimmitt.

The number one chief on the Friona team is fullback J. W. Baxter, who has scored eight touchdowns. All except one of the eight have been long yardage, and three have been on passes. His longest scoring run was 97 yards, and his shortest two yards.

In between, Baxter has runs of 70, 33 and 15. His scoring passes have been 40, 20 and 15 yards.

Following Baxter are Gary Brooks and Bomar Stacy with four touchdowns each. Brooks is the starting right half and Stacy is not listed as a starter. Quarterback Jim Clements has three touchdowns to his credit.

Other Chiefs who have one score

each are Monroe Young, David Massey, Jesse Rankin, and ends Jerry Goetz and Connie Ray.

Friona has a light team. The line averages 161 pounds and the backfield 155.

Canyon leads District 1-AA with victories over Dalhart and Tulia. Dalhart is in second place with wins over Dimmitt and Tulia and the loss to Canyon. Dimmitt is in third place with a win over Friona and a loss to Dalhart.

Tulia is in fourth place with a win over Friona and losses to Canyon and Dalhart. Friona has losses to Dimmitt and Tulia and is in last place.

Singer, Orchestra Open Fourth Season

The first concert of the fourth Canyon Community Concert Association season will be a gala affair, with a baritone backed up by a symphony orchestra. The concert will be at 8 p. m. Monday in the WT administration building auditorium.

The baritone is Yi-Kwei Sze, the first singer of China to win international fame as an interpreter of leading roles in Western opera. His accompaniment will be the Amarillo Symphony Orchestra. In addition, the orchestra will present a program.

The youngest son of a Shanghai business man, Sze first became acquainted with Western music through hymns and school songs he learned to sing while attending a school conducted by Presbyterian missionaries. At 17 he began to study violin and painting, but soon decided to concentrate on becoming a singer.

He entered the National Conservatory of Music in Shanghai and studied with Benjamin Ing and Vladimir Shushlin.

During the war years Sze helped train Chinese Army song leaders and appeared in hundreds of concerts in Hong Kong, Shanghai and Chungking for the benefit of Chinese and British relief.

Sze arrived in New York for a debut in October, 1947, and has since appeared as soloist with the Boston, Chicago, San Francisco, Cincinnati and Detroit symphonies. He has also appeared with the San Francisco, New York City and Philadelphia Civic Grand Opera companies and with choral groups such as the New York Oratorio Society and the Robert Shaw Choral.

Umbarger Fall Festival Scheduled For Sunday at St. Mary's Parish

The fifth annual Umbarger Fall Festival will be held Sunday in St. Mary's parish in Umbarger. Activities will include dinner, a bazaar, a country store and games.

Feature of the dinner will be homemade country sausage. Other items on the menu are sauerkraut, white or whole wheat bread and butter, mashed potatoes and gravy, green beans, cranberry sauce, jelly, Waldorf salad, cherry pie, coffee or milk.

Tickets are \$1.50 for adults and 75 cents for children 6 to 12 years old. Children under six are admitted free.

Serving hours are 11:30 a. m. to 2 p. m. and 5 to 7 p. m. A dance will follow the supper.

The bazaar shows the sewing skill of Umbarger women in making such items as stuffed animals, cup towels and aprons. Crochet and embroidered fancy work are also on sale.

For sale in the country store are homemade cakes, pies, jellies,

bread, German coffee cake, cinnamon rolls and other sweets.

Prizes for the games include one-half beef, cut and wrapped, donated by Vincent Friemel; a \$50 gift certificate donated by Jennings Men's Wear of Canyon; a double barrel shotgun donated by Raef Brothers; a Samsonite card table and four chairs from Thompson's, Inc.; a coffee table, made and donated by John Bedenk, and a bride doll donated by Umbarger Mercantile.

Proceeds will be used to retire debt on the Parish Hall.

County Orders Tax Suits Filed

Suits for collection of delinquent taxes were ordered Monday afternoon by the Randall County Commissioners Court.

The court ordered that the tax assessor-collector prepare for the suits. Criminal District Attorney A. W. Lair had previously told the court he would be able to take the suits to court as soon as the series of condemnation suits on Highway 60 were finished.

Seven Permits Issued in Month

Only seven building permits were issued during October, records in the city hall show. The seven permits totaled \$13,772 and brought the year's building total to \$1,686,978.

The permits were:

A. L. Crossland, 707 19th Street, residence, \$5,000, Oct. 7.
Keith W. Poole, Hereford Highway, grain storage, \$2,500, Oct. 10.

Mrs. C. L. Neeley, 205 10th Street, remodel, \$472, Oct. 15.

Wilson Campbell, 1613 Seventh Avenue, garage, \$1,500, Oct. 18.

J. N. Seay, 1005 Seventh Avenue, garage, \$300, Oct. 18.

J. D. White, 509 3rd Street, residence, \$1,000, Oct. 19.

Thelma Pruett, 2608 Eighth Avenue, residence, \$3,000, Oct. 30.

Musical Sendoff

Members of the West Texas State football team listen to the band play at a sendoff last Friday. The Buffs were leaving for Arizona. The Thundering Herd will play ACC at 2 p. m. Saturday in Buffalo Stadium.

15th Century Comedy Hits Boards At BIT Beginning Thursday Night

A comedy liberally imbued with poetical nonsense, situations remote from the modern vernacular, and humor bordering on the ridiculous, will be staged by West Texas State College dramatists to open the fall season in the Branding Iron Theatre.

"The Lady's Not For Burning," Christopher Fry's fanciful fantasy of 15th Century England, will open a three-night run here in the BIT Thursday at 8:15 p. m. The costume play is directed by William A. Moore, and Robert L. Antrim, technical director, has designed costumes and sets.

Fry, a British playwright, gained considerable acclaim with the comedy, and already had earned a name in America with such plays as "Venus Observed," "A Phoenix Too Frequent," and "Ring Around the Moon." His latest play, "The Lady's Not For Burning" was first produced in England and later, with success, by John Gielgud in New York.

Moore has selected an experienced cast to open the BIT season, with Eddie Thomas, an Amarillo senior, and Marty Hinson, a junior from Groom, in the lead roles of Thomas Mendip and Jennet Jour-

demayne. Other cast members are Verdi Knox of Canyon as Margaret, David O'Keefe of Amarillo as Richard, Buck Ramsey of Amarillo as Nicholas, Scott Glenn of Borger as the chaplain, Billy Hodgson of Friona as Tapperoom, James Hinkley of Pampa as Humphery, Leon Stephens of Dumas as Hebble, and Patsy Altmiller of Darrouzett as Alizon.

Story concerns a discouraged soldier, Mendip, who decides he wishes to die, so he attempts to get himself hung by pleading guilty to murder. No one believes him, but the town is ready to burn a "witch," Jennet.

The two, lodged in the same jail, fall in love, and Mendip then tries to persuade the mayor that the girl is innocent. He further shows that it is ridiculous to put to death a person who does not wish to die, but refuse to kill a man who does wish death.

Tickets for the production are on sale at the speech department at WT, and reservations may be made by calling OL5-3781. Admission will be 25 cents for children, 50 cents for high school students and 75 cents for adults.

Language Difficulty

"In an unprecedented move . . ."
"For the first time in history . . ." Those
sound awfully important, don't they?

The odd part about it, usually the
phrases, or others like them, nowadays
are used to describe an action that is not
so important.

The Amarillo newspaper sports pages
use one phrase to describe the first ath-
letic meeting of an old high school and
a new high school. What it really means
in that case is that the two schools have
never had an athletic contest before.
History has nothing to do with it.

The use of "for the first time in his-
tory" would indicate that there has been
a history behind the event.

The phrase, "an unprecedented move,"
also means for the first time. We see
that often in describing an action by
a board or a commission. We saw it last
week in the beginning sentence of a story
about the directors of the Grain Sorghum
Producers Association deciding to
negotiate an agreement with the Foreign
Agricultural Service to promote grain
sorghums on the world market.

Of course the action was unprecedented.
The association is about three years
old, and has not had the opportunity to
set many precedents. We suppose that
the use of the word "unprecedented" can
be upheld because no other feed grain
group has had such an agreement.

But the action of that board is not so
"unprecedented" as would be the action
of the President of the United States to

resign. There have been a great number
of Presidents, but none have resigned.

We're driving, in an around the bush
manner, in the direction of condemning
the misuse of phrases that are descrip-
tive and useful. If people continue to
use those important-sounding phrases to
describe unimportant or commonplace
events, or if they continue the misuse
of the phrases, those words will degen-
erate to the classification of meaningless
cliche.

While we have nothing against using
the language, and making it grow and
change with the times, we dislike mis-
using the language. If everyone insists
on making his actions seem important
by using important-sounding words, then
we have nothing left to use in describing
a really important action or event.

And there, in an unprecedented move,
for the first time in history we had a
mental block for about 10 minutes and
couldn't think of the word "cliche."

Many, Many Cars

The Amarillo to Canyon expressway is
really going to be a handy thing when
it gets finished. Traffic seems to grow
and grow, and at times it seems pretty
dangerous to be driving.

Sunday evening we counted the cars
we met as we came between Western and
the underpass at Canyon. In the space
of 15 minutes or so, we met 184 cars.
The time was around 6:30 p. m. It looked
like an equal number of cars was travel-
ing in our lane, also.

'Ugly American'

We'd hate to be in the position of
enticing someone away from his tele-
vision set for too long, but we'd like to
recommend that our readers take a little
time to read a book. It's a new book,
and we feel it an important one.

It's a novel based on actual occur-
rences, and it deals with U. S. foreign
policy in the Orient. Named "The Ugly
American" it was written by William J.
Lederer and Eugene Burdick.

When we read it, we had mixed feel-
ings. We didn't want to finish it because
each event made us feel sick. Yet we
wanted to read about the next event.

"The Ugly American" shows why our
foreign policy is failing despite the bil-
lions of dollars given away for foreign
aid. It really should be required read-
ing, but no one can require Americans
to read anything.

If you can find just a little spare time,
get the book and read it. Your eyes may
be opened in a way that statistics cannot
reach.

I GIVE YOU
TEXAS
By
BOYCE HOUSE

Sometimes in the Arkansas town
where my father ran the drug
store when I was a small boy, a
lad would get the chills and fever.
If not checked, the illness would
have you burning up one day, and
then - next day - you'd shake and
your teeth would rattle with cold.

But my father had a remedy for
chills and fever. In the bottle of
chill tonic, one could see bits of
flotsam and jetsam that were not
calculated to stir one's enthusiasm.
The label said however that this
was "tasteless" chill tonic. The
only comment to be offered was:
If this is "tasteless," may heaven
deliver me from the other kind!

In the Spring, it was customary
to give a boy sulphur-and-molasses.
The sulphur was good for purify-
ing the blood; the molasses was to
make the sulphur palatable. All
the boys took this concoction with
much grimacing and complaint —
all but one. This remarkable indi-
vidual could eat a whole table-
spoonful of sulphur alone and with
gusto. Others gathered around to
behold this sight. I tried to ap-
pear modest about my great gift,
however.

When Charles Dickens was a
young man, he was ambitious to
become an actor but on the day he
was to have a tryout, he had a cold
and his face was swollen so he
postponed the test and never did
take it.

If he had taken the stage test,
he probably would have become
an actor — because, when he gave
readings from his novels long
afterward, he held audiences en-
thralled.

Had it not been for that sick
spell, the world might never have
had "David Copperfield," "Oliver
Twist," "Tale of Two Cities,"
"Great Expectations," "Old Curio-
sity Shop," "Pickwick Papers" and
"The Christmas Carol."

Can you remember when the
dresses of little girls were trimmed
in braid?

And when the most active sell-
ers were lightning-rod salesmen,
peach-tree salesmen and book
agents?

And when chewing-gum was in
small cans (like the ones used for
salve) — a blue container holding
violet flavored and a green one
containing wintergreen flavor?

NEWS LETTER

FROM CONGRESSMAN WALTER ROGERS
OF THE 18TH CONGRESSIONAL DISTRICT

Switchblade Knives

This is a subject with which I hope very few of you are familiar. Unfortunately, this is not the case in some sections of the United States.

A switchblade knife is defined as one whose blade opens automatically, either by hand pressure applied to a button or other device, or by the operation of inertia or gravity. These instruments have been the subject of considerable concern in the Congress for several years, but legislation affecting their distribution was not enacted until this past session.

Public Law 85-623 passed the Congress in July and was signed by the President on Aug. 12, 1958. This law prohibits the introduction, or manufacture for introduction, into interstate commerce, or

the transportation or distribution in interstate commerce, with certain exceptions, of such knives.

The hearings on this legislation, conducted by the Committee on Interstate and Foreign Commerce, of which I am a member, revealed some appalling facts. Over 1 million switchblade knives are distributed and sold each year in this country and of these some 20,000 are imported.

Over 5 million of these knives have been sold in the past five years, principally to juveniles, and a large portion of them are sold at a price within the reach of teenagers.

It was discovered that this situation, particularly in the cities of the nation, created an urgent need for action in this field. It is not uncommon to read daily in the press of the country reports of

numerous muggings and attacks, many of them involving knives.

It was brought out in the committee hearings that the abolition of switchblade knives would not be a cure-all for any crime wave, but it would remove one of the favorite weapons of the juvenile delinquent and criminal element. It will afford the public some measure of added protection and give valuable assistance to our hard pressed local law enforcement agencies.

It was felt that Federal legislation to prohibit switchblade knives was necessary since only a limited number of the states have any laws relating to such knives. As a result, these weapons are bootlegged into these States from other States which have no prohibitory statutes, or they are sent through the mails. Elsewhere, they are sold openly.

It was reported that city ordinances are somewhat of a deterrent, but they are by no means sufficiently effective. It appeared the only solution to the switchblade and gravity knife menace was to pass Federal legislation, therefore, to prohibit the introduction or manufacture for introduction of these instruments into interstate commerce; to close the mails to them, and bar their transportation.

A Senate Judiciary Subcommittee investigating juvenile delinquency in the United States recently conducted an investigation into the use of dangerous weapons by juveniles, with special emphasis on the interstate traffic and importation of switchblade knives and, in an effort to determine the severity of the problem on a community level, sent questionnaires to the major police departments of the United States and others.

This investigation disclosed that many of these knives were manufactured abroad and distributed by firms in this country which handle numerous items in addition to switchblade knives. It was established that these items were being widely distributed through the mails by manufacturers in the various States which had local laws prohibiting possession, sale, or distribution of switchblade knives. It was felt that this pointed to

Louis Hinders Wins 4-Day Trip To NMPF Convention in Boston

Louis G. Hinders, 31-year-old Canyon dairyman, has been named winner of a four day expense paid trip to Boston in an annual contest sponsored by North Texas Producers Association.

Final judging of the contest was held recently at the group's home office in Arlington.

Hinders will represent NTPA at the Nov. 16-20 meeting of the National Milk Producers Federation in Boston. The four day trip is valued at over \$700.

Each year, one representative dairyman and his wife are awarded a trip through the Young Co-operators Program sponsored by NTPA. The contestants must be active dairymen, members of the NTPA and not past their mid-30's.

In addition they must be active in their county dairy association. Contestants must show the judges that they are engaged in the management and operation of their dairy through improvements on the farm and local community participation. Personal appearance, moral character and general personality are considered.

Operating a 1630 acre registered Holstein dairy, Hinders had the top Dairy Herd Improvement Association herd in Texas in 1957. He also had the top Holstein herd in Herd Improvement records.

The World War II veteran is on the Board of Directors for the Texas American Dairy Association and the Texas Livestock Health Council. His activities include participation as a member of his local church, soil conservation district and Farm Bureau. He also partici-

ates in the Randall County Junior Livestock shows for 4-H and FFA clubs.

Hinders was one of the leaders in the formation and operation of the Tri-State Milk Producers Association at Amarillo. Later, his leadership contributed to the merging of the Panhandle organization with NTPA.

Other contestants were Billy Paul Russel, Pittsburg, Texas; Marvin Byrd, Midlothian; James L. Norris, Paris; and Wayne T. Thompson, Weatherford.

Shower Honors Theresa Mickey

Theresa Mickey, bride-elect of Jack McCormick, was honored with a bridal shower from 6 to 9 p. m. Thursday in the home of Mrs. Floyd Moore, 2407 Sixth Avenue. Miss Mickey and McCormick will be married Nov. 28 in Joseph A. Hill Chapel.

The serving table was laid with a pink satin floor-length tablecloth and centered by a large arrangement of large pink chrysanthemums and wine candles. In front of the arrangement, love birds held a satin streamer bearing the couple's names.

Registering guests were Mrs. C. W. Mickey, Mrs. Arlen Ruthart, and Mrs. Don Wells.

Hostesses were Mrs. Clara Long, Claudia Neelley, Mrs. Gwen McFarland, Mrs. Forrest Gruner, Mrs. E. A. Michael, Mary E. Carter, Mrs. A. M. Cunningham, Mrs. L. H. Owens, Mrs. Ralph Ruthart, Mrs. Ross Craig, Mrs. L. F. Brandon and Mrs. Floyd Moore.

Mr. and Mrs. E. C. Franklin, Mr. and Mrs. Melton McGehee and Joyce Lane visited Joyce's mother, Mrs. Bessie Lane, in the Pampa hospital last Sunday afternoon.

Mrs. Dewitt McGehee is home from the hospital and is reported doing nicely. Her aunt, Mrs. G. C. Powell of Tuscola, is staying with her and doing the housework.

The Bob Finley family has moved to the J. O. Parker farm, known as the John Stockett home place, where they are employed.

Mr. and Mrs. Henry Hamblen are driving a new Pontiac.

Mr. and Mrs. Willie Modisette, Royce, Marian and Fay, attended the Burton Lorine funeral in McAlister, Okla., Tuesday afternoon. Mr. Lorine was a brother-in-law of Willie's.

Joyce Lane spent Thursday and Friday with his mother in the Pampa hospital.

Mrs. Clifford Stevens is home from the hospital. She is able to be up and around.

Capt. and Mrs. Bryce Payne, Bryce Jr., Don, Dan and Douglas of Abilene are spending this weekend in the E. J. Mahler home.

Dewitt McGehee was a business caller in Amarillo Friday.

Mr. and Mrs. Charles Kennedy, Robert and Richard, were dinner guests last Sunday in the Grady Kennedy home in Canyon. The occasion was Mrs. Grady Kennedy's birthday.

Mr. and Mrs. Henry Hamblen were Canyon callers Wednesday.

Mr. and Mrs. W. R. Franklin attended the John Rice funeral in Tulsa Thursday afternoon.

STOP AND THINK
Tip to motorists: The man who travels at excessive rates sets the pace that exterminates.

The actuality of the present seldom looks as good as the theory of the past.

2 Complimented By Bridal Coffee

A coffee honoring Mrs. Meade Michael and Theresa Mickey, bride-elect of Jack McCormick, was held recently in the home of Mrs. Marshall Rockwell Jr.

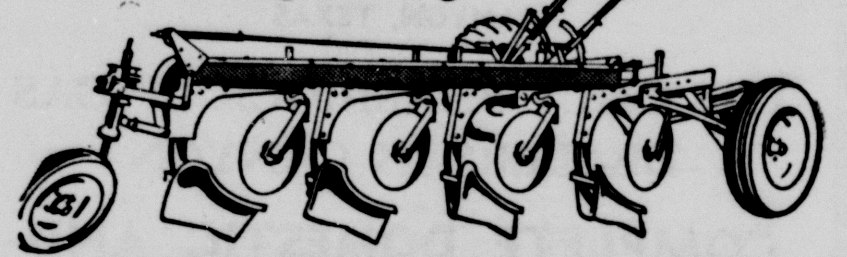

Miss Mickey is the daughter of Mr. and Mrs. A. R. Mickey, and McCormick's parents are Mr. and Mrs. B. E. McCormick.

In the receiving line were rs. McCormick, Miss Mickey, Mrs. Mickey, Mrs. E. A. Michael and Mrs. Michael.

The serving table was laid with a hand embroidered linen cloth, decorated in fall colors.

Co-hostesses were Mrs. Wayland Angel and Mrs. Forrest Gruner. The hostesses' gifts were cut-glass sugar bowls and creamers.

DR. FRED HOWARD

Howard Will Speak At Calvary Dinner

Dr. Fred D. Howard, head of the Bible department at Wayland Baptist College, will speak at the "Church Family and Loyalty Din-

ner" of the Calvary Baptist Church at 7 p. m. Thursday at the Canyon High School cafeteria.

Dr. Howard, native of Mississippi joined the Wayland faculty with the fall semester as head of the Bible department and advisor to ministerial students. He teaches

philosophy and Greek as well as advanced Bible courses.

Dr. Howard holds the Doctor of Theology degree from New Orleans Baptist Theological Seminary. His undergraduate work was done at Mississippi College from which he received the B.A. with distinction

with a major in English and minors in Bible and languages. At Mississippi he was awarded the Sadler Scholarship for high scholastic attainment.

He is also the author of a book of poems, "Scrambled Eggs," and other writings have appeared in

various publications. At one time he was editor of Itawamba County Times.

The loyalty dinner is part of the "Forward Program of Church Finance," now being conducted by the church.

LACKS CONFIDENCE

Many a failure can be attributed to the fact that a man keeps too big an account with bad luck in his mental bookkeeping.

Drinking to another man's health isn't going to improve your own.

Recently we heard a young surgeon talk to a group of high school youngsters who are going into medicine. His words were not highly technical; they were simple, honest and sincere. He did not try to discourage them from the long years of difficult and expensive training; he explained the happiness that comes from helping one's fellows.

What he gave those kids was a realistic look at the overall picture; a supplement to the tedious textbook and laboratory training ahead. But it was generously sprinkled with idealism: "The average work week for a doctor is 60 hours, but he doesn't mind because he loves his work." "A doctor has an obligation to take part in church and community affairs, because he understands people so much better than the average person does." "If you're busy, you never get to see your family; if you're not busy, you wonder if people have lost confidence in you." "A doctor's reputation and personality are almost as important to success as good training."

A doctor, lawyer or teacher who has not held on to a spark of idealism about his job may feel as if it is pretty menial at times. On the other hand, a garbage collector or charwoman who can honestly believe that his service to society is worthwhile, can face life with dignity and contentment.

It's not what a man does to make a living that counts; it's how he feels about the job he holds that marks him as a small person or a great one.

Fairview Breezes

Mrs. Laquita Palvador visited the paternal John Patterson home Saturday night and Sunday and attended church Sunday morning.

We are sorry to learn of the death of another old-timer. John Rice was a resident of Wayside from 1890 to 1908, when he moved to Tulia, where he lived until his death last week.

Milton Allred is in critical condition in a San Francisco hospital following a fall at the home of his daughter. He suffered a head injury. The family lived in Fairview for a number of years.

Guests at church Sunday were Mr. Pierce's brother and his wife.

Brother and Mrs. Charles Pierce and Chuck visited the H. H. Shipmans Sunday.

Those enjoying "88" in the G. E. Wesley home Tuesday evening were Mr. and Mrs. Frank Rogers and Mr. and Mrs. J. W. Wesley.

Mr. and Mrs. J. W. Wesley and Mr. and Mrs. Frank Rogers visited with Mr. and Mrs. Albert Wesley and family Sunday afternoon.

E. P. Wesley was visiting with Charlie Castleberry, who is to have surgery on his eyes Wednesday for the removal of cataracts.

Nig Whitson had a serious black-out last week and was still pretty sick at the last word received.

Those attending the Homecoming and football game Friday evening from this vicinity were Mr. and Mrs. G. E. Wesley, Frank Rogers, Mr. and Mrs. H. H. Shipman, Mrs. Fannie Stephens, Mr. and Mrs. George Dinny, Mr. and Mrs. Jack Sutton, Mr. and Mrs. J. W. Wesley, Mr. and Mrs. Woodrow Wesley and Mr. and Mrs. Wayne McNeill.

EXCLUSIVELY YOURS—WIDE-TRACK WHEELS

The wheels moved out 5 inches for the widest, steadiest stance in America—better cooling for engine and brakes—lower center of gravity for better grip on the road, safer cornering, smoother ride. You get the most beautiful roadability you've ever known—in America's Number 1 Road Car!

You get the solid quality of Body by Fisher.

You name it—Pontiac has it . . . the year's most important advances in style, safety, handling and performance. And they're topped by a Pontiac exclusive . . . Wide-Track Wheels! Everything about this new kind of car was designed to give you driving as you've never known it: Air-Cooled True-Contour Brakes for precise, unvarying control in stop after stop after stop . . . spacious Vista-lounge interiors with seats wider than a sofa and full circle visibility (the Vista-Panoramic windshield curves clear up into the roof). And

there are two great new engines to choose from—the Tempest 420 for the ultimate in V-8 action and response . . . and its money-saving companion, the Tempest 420E, a big muscular V-8 that uses regular gas and delivers better mileage than many smaller cars with so-called "economy engines". Styling?—the newest, lowest look on the road—protected by Magic-Mirror non-fade finish. There's much, much more—come see for yourself—all the big and wonderful things that have happened to America's Number One Road Car!

Former Resident Dies in Amarillo

Charles Harry Word, a former resident of Canyon, died Oct. 28 in Northwest Texas Hospital in Amarillo. The Word family lived here from 1901 to 1918. Services were held at 3 p. m. Thursday in the First Presbyterian Church of Amarillo, with Dr. Robert M. Skinner officiating. He was assisted by Dr. Lynn B. Rankin. Burial was in Dreamland Cemetery here under the direction of N. S. Griggs and Sons.

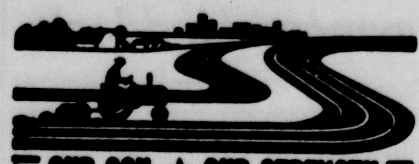

A semi-invalid since 1917, Mr. Word, 66, is survived by two sisters, Lola Word and Mrs. G. C. Westcoat of Amarillo, and three brothers, Walter Word, Amarillo, and Will G. Word and Millard R. Word of Clarendon.

'Burning' Cast

Patsy Altmiller, left, of Darrouzett and Verdi Knox of Canyon are two of the three women in the cast of 13 for "The Lady's Not for Burning," a comedy that opens the season's productions at the Branding Iron Theatre.

SOIL CONSERVATION DISTRICT NEWS

The supervisors of the Randall-Potter Conservation District feel that this has been a good year for conservation. With above normal rainfall in most parts of the district, crops have been good. While driving around the district, a person can see good crop residue management and stubble mulching practices on the land. These practices, as they are being used by most farmers this year, will keep the soil from moving during the blow season.

We are now in the blow season and according to Joe Batson, work unit conservationist, "there will be very little if any blowing this year due to good residue on the land. The land that does blow can be controlled easily by chiseling."

Now is a good time to start thinking about next year's rains. These rains will start some washes or gullies in quite a few fields in the district. In the fields that have long gentle or steep slopes, a diversion and/or standard field terraces will help control the washes and gullies. The diversion and terraces can help you save your farm from being washed away.

The Randall-Potter Soil Conser-

vation District was organized to help farmers and ranchers with their soil and water problems. The Soil Conservation Service, assisting the district, will help you with your problems. For any assistance that you might need, contact the supervisors of your district or the SCS technicians in the court house.

After a week's visit with Mary Moss Richardson in Rest Cottage, Mrs. D. C. Chompers of Paris, Texas, returned home Monday. Miss Richardson has been home from the hospital a week.

Another visitor to Rest Cottage last week was Adm. J. O. Richardson of Washington, D. C., who spent four days with his sister.

Esso Extra
Out-performs
many gasolines
selling for
1¢ more!

Esso Extra sells for premium—not super-premium—price, but it out-performs many gasolines selling for 1c to 2c more.

Out-performs them in clean-burning characteristics: it burns so clean that spark-plugs last up to 50% longer.

Out-performs them in anti-knock operation: its octane rating is high—higher, in fact, than the octane rating of many gasolines for which motorists pay a super-premium price.

Out-performs them in quick starting... in smooth, safe acceleration... in mileage.

Esso Extra is the No. 1 premium in Texas... first in premium sales... first in premium performance.

Use this great gasoline in your car. You'll prefer its performance, you'll like its mileage, and most of all, you'll be pleased with its economy.

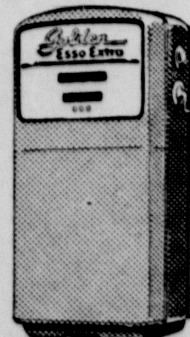

Fill up under the Humble sign in your neighborhood. *Every time!*

HUMBLE OIL & REFINING CO.

HUMBLE

Golden Esso Extra in a quality class by itself

This superior gasoline stands out as the best gasoline to use in any car in any price class. It is the only gasoline that will give you all the performance you paid for when you bought your modern car. It has highest octane rating; it eliminates engine "bucking" as you start, engine "rumble" as you drive, and engine knock as you accelerate. A must for cars with air-conditioning, power brakes and power steering. It's the gasoline for the 1959 models.

Dependable Quality at Regular Price

If your car performs well on regular gasoline, Humble Motor Fuel is your gasoline. Every gallon is made to exacting quality specifications.

You get three distinct advantages: (1) continuous improvement; (2) uniform quality wherever you fill up; and (3) a patented solvent oil that keeps engines clean. Among the regulars, Humble Motor Fuel is second to none.

Canyon Schools Observe Week

Canyon Public Schools will observe the week of Nov. 9-15 as American Education Week.

A special invitation has been extended to parents and patrons to visit the schools during Education Week. Extending the invitation were members of the Board of Trustees; Joe A. Gibson, superintendent of schools; J. E. Miller, principal of Canyon High School; L. H. Brotherton, principal of Canyon Junior High School; and Rex Reeves, principal of Canyon Elementary School.

Special programs to be presented during the week are a Rotary Club program, to be given by speech students under the direction of Mrs. Lee Foster, and a special assembly at 1:15 p. m. Thursday in the high school auditorium. The assembly will be given by speech students and members of the D. A. Shirley Club, Future Teachers of America.

General theme for Education Week is "Report Card, U. S. A." Daily topics are Sunday, Character Building; Monday, Responsible Citizenship; Tuesday, Education and Survival; Wednesday, the Curriculum; Thursday (National Teachers Day), the Teacher; Friday, Developing Talents; and Saturday, Community Teamwork.

Troop 66 Honors Raymond Haddock

Troop 66 of the Boy Scouts of America honored their scoutmaster, Raymond Haddock, with a family style dinner at the First Christian Church Oct. 27.

Between 100 and 120 Scouts and their families were present to honor Haddock, who has served the troop as patrol leader, junior assistant scoutmaster, assistant scoutmaster and scoutmaster. They presented him a transistor radio in appreciation for "his untiring effort and devoted work with the troop." Under his direction, the troop won many awards in Scouting.

Haddock has entered the Army and is stationed at Ft. Hood, Texas. Oscar Hinger has taken over as scoutmaster of Troop 66. He will be assisted by junior assistant scoutmasters Chuck Nester, Larry Brotherton, Craig Hinger and Roy Harris.

Tulia -

Continued from Page 1

plays from the kickoff and the Eagles began a drive from the Canyon 34. In three plays the ball was on the Tulia 41 and Richardson passed to Brotherton. Brotherton caught the ball in a nearly-impossible situation, faked out a tackler and ran to the goal line.

In the second quarter, Canyon got the ball on the Tulia 36. A series of runs and offside penalties finally moved the ball to the 25 and Richardson ran for his first score.

The next touchdown came after Tulia had a chance with the ball and kicked out of bounds on the Canyon 47. The Eagles ran rushing plays to the 22, seven of them, and Richardson took off for his second score.

As the second half started, Tulia kicked off to the Canyon 45, then covered the free ball. A drive put the ball on the 13 then back to the 28 on a penalty, and Jennings threw a home-run pass into the end zone.

Ross Bond leaped up and made an almost impossible interception and gained Canyon a touchback—meaning possession of the ball on the 20.

Boydston, lined up in single wing, missed the pass back from center and the ball went into the end zone. He fielded the ball, but was tackled and Tulia picked up two points.

On the ensuing kickoff from the 20, Tulia scored again. Boydston's kick went out of bounds on about the Tulia 45, and Tulia took the penalty. His next kickoff, from the 15, went 63 yards in the air and Poage took it on the Tulia 22. He was stopped once but broke loose and raced along the sidelines 78 yards to a touchdown.

The teams saw-sawed out the quarter. Just before it ended, the Eagles were in possession of the ball and moving from the Canyon 33. Boydston ran to the 46 and Richardson's passing wizardry began. He threw to Boydston to the Tulia 44, to Bond to the Tulia 28 and to Boydston to the Tulia 15. From there, Richardson ran for the final Eagle touchdown. Boydston's kick was good.

In just a short time, the Eagles were back knocking. Getting to the Tulia 20, the drive stalled and on fourth down Boydston tried a field goal. The ball slithered low over the heads of the Hornets and was rolling slowly on about the Tulia one. It was picked up and moved to the three, but the Hornet ball carrier was tackled.
